Contact Lens Fit & Evaluation Fee Informed Consent

A contact lens **New Fitting, Refitting and Evaluation** are additional services with additional fees that are:

- NOT included in a Comprehensive Eye Examination
- NOT usually covered by insurance
- Due at the time services are rendered
- NOT refundable

DEFINITIONS:

1. New Contact Lens Fitting:

Includes the fitting by the doctor of contact lenses to your eyes, an in-office instruction on how to insert, remove & care for your lenses, a trial pair of contact lenses, a sample solution, a case, a Contact Lens 'Owner's Manual', and all subsequent follow up appointments until a contact lens prescription is finalized, or it has been determined by you or the doctor that contacts are not a viable option for you at this time.*

You will be charged this fee if:

- You have never worn contacts in the past
- You are switching from Gas Permeable Contacts to Soft Contacts, and have never worn Soft Contacts
- You are switching from Soft Contacts to Gas Permeable Contacts, and have never worn Gas Permeable Contacts

2. Contact Lens Refitting:

Includes the fitting by the doctor of contact lenses to your eyes, a trial pair of contact lenses, and all subsequent follow up appointments until a contact lens prescription is finalized, or it has been determined by you or the doctor that contacts are no longer a viable option for you.*

You will be charged this fee if:

- You are switching BRAND, SIZE or TYPE (i.e. you wore single vision contacts and are now trying multifocal contact lenses)
- You do not know what kind of contact lenses you are currently wearing

3. Contact Lens Evaluation:

Includes the yearly evaluation of your current contact lenses on your eyes for fit, eye health in relation to contact lens wear, and contact lens prescription.

You will be charged this fee if:

- You are happy with your current contacts, and the doctor does not feel a change of BRAND, SIZE or TYPE is necessary

**Trial contact lens fees are usually included in the fitting fee. However, some specialty soft lens trials, and all gas permeable lenses are NOT included in the fitting fees.*

FEES:

Additional fees are charged for these services in addition to the Comprehensive Eye Examination. These fees are dependent on the TYPE of contact lens being fit (*fees are subject to change without notice*):
